DETAILS

Accelerus Light prices are based on:

- ♦ The number of campuses or sub-schools which will have their own Accelerus Light database and administration personnel; and
- ♦ The size of the school, using the number of students; and
- ♦ Whether the school purchases any additional modules; prices to be advertised as they are available.
- ♦ One online training session of up to 3 hours is required with a maximum of 3 attendees.

Database Licences

- ♦ At least one Accelerus Light contact person must be designated for each database licence. They will receive support and any upgrade notifications.
- ♦ Where the number of students increases, additional licences must be purchased and the annual subscription price will increase accordingly.
